EXOCAD TO PARTICIPATE IN SINO-DENTAL 2023 TRADE SHOW IN BEIJING

exocad will showcase its latest software solutions for labs and practices

DARMSTADT, Germany – June, 7 2023 – exocad, an Align Technology, Inc. company and a leading dental CAD/CAM software provider, today announced its participation in the Sino-Dental® 2023 trade show in Beijing, China, on June 9–12. exocad will showcase its newest software release, *DentalCAD 3.1 Rijeka*, plus other open software solutions like its innovative smile design program *Smile Creator*, at booth E62 in the German Pavilion. Visitors will also be offered a sneak peek of exocad’s new AI-enhanced visualization for patient acceptance.

“We are bringing our latest exciting developments to share in Beijing,” said Christine McClymont, Global Head of Marketing and Communications at exocad. “I can’t wait to present the many new, workflow-transforming features in our recent releases and to connect with our dedicated dental community in China.”

Visitors to exocad’s booth at the Sino-Dental event can attend live demonstrations with exocad application specialists, get exclusive insights into the latest features and learn how digital dentistry can help reduce design time and increase productivity in labs and practices. Attendees will see how exocad’s wizard-guided workflows and easy, online communication programs streamline the treatment journey – from consultation to final restoration.

Additional information about Sino-Dental 2023 is available at <https://www.sinodent.com.cn/en>. For further information about exocad visit [exocad.com](https://www.exocad.com).
